Venue: MIT (Civil Audi) Ujjain

Date: 19th Dec 17 **Reporting Time:** 09.30 A.M

Process: PPT, Online Test (**Apti + English Grammar Based**), GD, Interview

Designation: Technical Recruiter **Job Location:** Vadodara, Gujarat

Job Scope: This is a techno-commercial position and an excellent opportunity to gain exposure of IT Staffing industry, which is currently at \$600 million in revenue and with 14000+ employees.

As Technical Recruiter, you will be responsible for identifying and presenting qualified technical candidates to fill client requirements provided via an online requisition system, delivery manager or Collabera sales executive. This position is not responsible for terminating, performance appraisals or salary revisions.

This position is target-based and has lucrative incentives to be earned upon successful completion of the targets.

Job Description:

The job of a technical recruiter is to be able to identify/screen/qualify candidates for IT/Non IT positions; the recruiter also reviews, reformats and presents resumes to hiring managers. These are some of the duties and requirements of a technical recruiter:--

1. Source, telephonic screening and evaluate candidates on call
2. Foster long-term relationships with candidates
3. Review and understand technical job requirement requirements
4. Review applicants to verify if position requirements are met
5. Format resumes meeting client expectations
6. Research new technologies
7. Follow up with candidates

Package: Rs 2.16 LPA (Salary revision to INR 20,000/Month after successful tenure of 6 months)
+ Performance Based Incentive

Candidates are required to carry:

1. 2 Copies of Resume & 2 Passports sized color photographs

2. Original & Attested photocopies of mark sheets & certificates from 10th onwards till qualifying exams

3. Original College ID card and Photo ID proof
