<https://tinyurl.com/Mphasis-2019>

About the company: Mphasis is an IT services company based in Bangalore, India. The company provides infrastructure technology and applications outsourcing services, as well as architecture guidance, application development and integration, and application management services. It serves financial services, telecom, logistics, and technology industries. Mphasis was ranked #7 in India IT companies and overall #165 by Fortune India 500 in 2011.[2] In April 2016, Hewlett Packard Enterprise sold the majority of its stake in Mphasis to Blackstone Group LP for around \$USD 1 billion.

Mphasis has been a leading provider of core IT services to global marquee customers for over 25 years; bringing in best-of-class expertise in the foundational services of Application Development and Maintenance, Infrastructure Services, and Business Process Services. To this existing suite of services, Mphasis has been nimble and agile in integrating and building specialization to enable future-proofing of the organization as well as its customers. Mphasis enables customers re-imagine their digital future by applying a unique formula of cloud migration and cognitive technology, to modernize and power the legacy systems to timeless computing. Mphasis' array of algorithm-based technologies seamlessly combines Robotic Process Automation, Predictive Analytics, Cloud, Artificial Intelligence, and Blockchain, surrounding legacy technologies with domain expertise and modernization.
