

Virtual Joint Campus Drive (Online Mode)" by & for "RWS Group | RWS Moravia India Private Limited" for the 2021 passing out batch B.E./B.Tech (CSE, IT, ECE) & MCA candidates

About Company: Company RWS who has recently acquired us (Webdunia, Diaspark) is the world's leading provider of language technology, technology operations and digital technology services. We collaborate with our clients to implement the best-fit language technology tools such as translation management systems (TMSs) and integrate them with other technologies such as content management systems (CMSs). Our technology operations services provide app development and support, robotic process automation (RPA), software testing and QA and cloud and infrastructure services to help companies optimize and manage their applications and focus on their core business. We also design and deploy digital technology solutions for ecommerce, gamification, UX design, OTT, IoT and more. RWS is having 93 offices across globe.

Founded in 1958, RWS is headquartered in the UK and publicly listed on AIM, the London Stock Exchange regulated market (RWS.L).
