---

A prestigious Company who is a leading provider of Design and Verification solutions is planning for a Pool Campus Drive at Indore.

They have their design centres in Noida, Bangalore, and Pune with over 150+ Engineers with a global footprint and sales coverage across North America, Europe, and Asia.

Below are the rest of the details:-

**Course Eligible:** BE (EC) & BE(EX) 2022 Batch

### Terms & Conditions:

1. The online test consists of a Technical & Aptitude Test. After the online test, shortlisted candidates shall be interviewed.
2. If the candidate is found to be good (based on test and interview) then one can be given a job offer. There would be a probation period of 6 months from the date of employment. During probation, salary shall be INR22K-25K per month and there may be deductions to this amount as per government norms. Probation might get extended to 8 months if performance is not found satisfactory.
3. If performance is not found good, then the company might terminate the employee during the probation period.
4. After completion of probation, the Salary shall be between 5.5LPA to 6LPA (CTC) depending on performance.
5. For fresh candidates who join as employees (after written/interview), there is a bond for 3 yrs, from the date of joining.
6. There will be an agreement/deed of guarantee that can be used in case of breaking the bond, which will have to be signed by their parents.
7. Original mark sheets will be kept by the Company for the whole bond duration.
8. A cheque is required to be deposited in favour of the Company with bond money for security purposes(only after joining).

### Note:

- The candidate will be offered a Job only based on his/her performance in the online test & Interview.
- This position is for the Noida location and details related to online tests will be shared after the acceptance on the T&C shared.
