Company: LiuGong India Pvt. Ltd.

About Company:- For the past six decades, LiuGong India Pvt. Ltd has learned, adapted, and grown into an established name in machinery. Started in 1958, LiuGong India Pvt. Ltd brought the first modernized wheel loader to China in 1966, eventually expanding to 19 different product lines today. Learning on the way that every challenge no matter how small, no matter how difficult, is a chance for LiuGong to grow and improve. The continuous strive to rise to new challenges has lead LiuGong India Pvt. Ltd to work in the harshest of environments from the blazing heat of the Sahara to the unrelenting cold of the Antarctic and everything in between. More than just functionality, LiuGong India Pvt. Ltd focuses on the needs and wants of our customers. LiuGong understands that great machines have to be intuitive and ergonomic to allow for projects to get started quickly and run smoothly.
