♥ Guidelines for Proctoring Online Test:-

- 1) Candidate needs to take the test on a PC/LAPTOP system equipped with working Web-Cam (external or built-in) and smooth internet connectivity throughout the testing session of 120 Mins
- 2) Candidates are advised to take the test in all fair means under supervision.
- 3) The system is built with various artificial intelligence mechanisms to track malpractice and any extended help. Such candidate would be disqualified from the recruitment process without notice.
- 4) While taking up the online test, candidates are advised to not to move out of the test screen, e.g.: Do not open another tab or application like notepad, excel or web browsers like Google, etc.
- 5) If any image is captured in the vicinity during the test process, his/her test will be dis-qualified and this disqualification may happen at any stage of the process and it is solely discretion of Cognizant team.
- 6) Do not try to click Print Screen or Copy the content while the test is in progress, the system will disqualify the candidate instantly.
- 7) There should not be any hindrance to the Web-Cam's lenses. It should not be covered with any object and should always have the test taker right in front of it.
- 8) Do not try to take any snapshot while the test in progress. Use of Mobile phones, Cameras during the entire duration of test is strictly prohibited.
- 9) In case test gets stopped/halted due to Internet or electricity failure, the candidate will be able to resume his/her assessment from the same point it got logged out without losing any time. Candidates are advised to wait for 5 Mins, login again using the same credentials and click on 'Resume Incomplete Test', candidate will have to select his name and continue attempting the test. The candidate will be able to login within 2 Hours of tests getting halted; test will expire if candidate doesn't login again within this time.
