Dear Academic Partner,
Greetings from Tata Consultancy Services Ltd!

MockVita practice rounds are here to help
super coders prepare well for the contest.

The top five advantages of participating in **MockVita 1:**

1. Solving previous years' questions
2. Real-time 24-hour contest window
3. Ascertaining the level of competition
4. Learning time allocation for each question
5. Boosting confidence

Do ask the super coders around you
to participate in MockVita 1!
