Company: - M/s Nagarro Ltd.

Brief About the Company:-

Nagarro provides outsourced software development services to companies ranging from early stage startups to Global 50 market leaders, helping them achieve their strategic goals. We are headquartered in Munich, Germany with subsidiaries in India, Sweden, New York, Mexico, Frankfurt, and Stockholm. We courageously embrace the future, with vision and clarity about where technology & business are heading. Thinking breakthroughs gets us there. In a quickly changing and evolving world, the challenges you face are ever more unique and complex. To find solutions, you need forward-thinking, agile, caring partners that can help you transform, adapt, and build. We excel at digital product engineering and deliver on our promise of thinking breakthroughs. We are powered by Caring, caring is at the heart of our values, it drives us, drives us to deliver the best results, drives us to be the best colleagues, pushes us to go beyond the needs to deliver the solution. Caring elevates us, between us and for you. Caring is why so many of our clients have been with us over a decade. With our core values being Client-centric, agile, responsible and non-hierarchical, we are not trying to emulate the companies of yesterday, we are the company of tomorrow. We are the future, logistically apart, together always.
