Company Name: **eClinicalWorks**

About Company: eClinicalWorks is a privately-held, profitable company that focuses on establishing long-term relationships with customers. Our software is used by doctors and their staff in the smallest to the largest set up in the USA. eClinicalWorks is a leader in ambulatory clinical solutions. Our solutions extend the use of Electronic Health Records (EHR) beyond practice (clinic/hospital) walls with the latest technologies and create community-wide records. Our core products are Electronic Medical Records (EMR) and Practice Management (PM).

Our revenues for 2017 have exceeded \$500 million. We have an established customer base of more than 100,000 physicians and 6,00,000 plus medical professionals across all 50 states. We have one of the highest customer retention and customer satisfaction ratios in the industry. One in five citizens of the USA is treated by doctors using eClinicalWorks.

eClinicalWorks employs more than 5100 people across its locations. We are headquartered in Westborough, Massachusetts, USA. We also have offices in New York, Atlanta, Chicago, California, Mumbai and Ahmedabad. We have a large infrastructure with more than 14 data centres across the USA.

We are a product based company designing and implementing our own Software. We are very rapid in research & development and innovation in the HealthCare IT industry. We believe in providing growth to our employees within the company.

eClinicalWorks is a highly decorated technology and company, winning numerous awards over the years, including being recognized by IDC and named to Inc. Magazine's Inc. 500 list of the fastest-growing private companies. Its customers are also being recognized for the success they have had using eClinicalWorks, with six customers receiving HIMSS Davies Awards during the past four years, which honour excellence in implementing electronic health records (EHRs).
