

**REGISTRATION LINK and NOTICE for Virtual POOL CAMPUS
for B.Tech-CS, IT/MCA/BCA/BSc- 2021 Batch (currently in final year)**

Dear Students,

Please find the details of Pool Campus Drive:

Company Name: - Daffodil Software

At Daffodil, we help our customers to disrupt faster by decreasing time-to-market via reducing the time gap between an idea and working software. Combining our experience of building 100+ software solutions and developing products using decoupled software components to reduce redundant code, we are in a unique position to take this unconventional approach to software development.
