IPCA LABORATORIES LTD. requires fresh talent as trainee (Apprenticeship) roles for various department such as QA, QC, Engineering, Production, Packing etc.

**About Company:** IPCA is a consumer-led global pharmaceutical company, creating healthy doses of life since 1949. When you operate in an industry like pharmaceuticals, your work goes way beyond creating 'products for customers'. It is different from any other domain – there lies a higher sense of responsibility and a need for utmost integrity in everything you do. As you serve millions of lives, high quality standards become a pre-requisite, and safety of your people and consumers always comes first. All this, while ensuring that each life you touch is treated with respect and dignity.

This, is how IPCA works.

For more than 60 years, IPCA has been a crucial healthcare partner in over 120 countries across the 6 continents. We are a fully-integrated pharmaceutical company that manufactures over 350 formulations and 80 APIs for various therapeutic segments.

Today, we are one of the world's largest manufacturers and suppliers of over a dozen APIs. These are produced from scratch at fully-automated manufacturing facilities, approved by the world's most discerning drug regulatory authorities like UK-MHRA, EDQM-Europe, and WHO-Geneva, among others.
