For appearing in this campus drive students will have to follow below given registration steps.

Registration Process: FOLLOW ALL 3 STEPS BELOW

Step-1. Apply to the job on IBM career portal at below link. Link - <https://ibm.biz/BdeS5z>

Step-2. After registering at the above mentioned link, students will get an email of Person Record ID from IBM Talent Acquisition <talent@ibm.com> Note that Person Record ID.

Step-3. Fill the received Person Record ID which you received through mail at below given link.

Link- <https://forms.gle/EjVpbC4Z54daaf2T6>

It's a Mandate for the students to follow the above steps to ensure their application is submitted for the drive process. Candidates must only use their personal email address and phone number for registration and refrain using their college email address for the same.

Registration Dates – From today, 16th January 2026, 04:00 PM to 19th January 26, 02:00 PM.

Note- Register ASAP... Don't wait till last date.

IMPORTANT NOTE: Candidates who fail to complete the registration on both of above mentioned links within the mentioned timeline will not be considered for the drive process & the registration link will not open again in any condition.

IMPORTANT POINTS:

1. Selection Criteria - All Stages are Elimination Rounds.
2. 1st Round of Coding Assessment will be held virtually and we will confirm the dates shortly. Details regarding further rounds, including dates and location will be shared later.
3. Kindly read the eligibility criteria thoroughly. Please make sure candidates attend the event only if they meet the eligibility criteria mentioned in the JD.
4. Candidates involved in any kind of malpractice will be debarred/blacklisted from taking IBM assessments/Interviews in the future.
5. Please note that IBM will not provide any travel and accommodation or allowance for attending the placement process at any physical location. Candidates must arrange their own travel and accommodation.
6. Project deployment/joining location can be anywhere across PAN India. Hence, we expect the candidates to be flexible in terms of relocation across locations.
