We are Apollo!

Apollo Tyres Limited, with its corporate headquarters in Gurgaon, India, is an international tyre manufacturer and the leading tyre brand in India (Established 1972). It is built around the core principles of creating stakeholder value through reliability in its products and dependability in its relationships. Over the years, the company has grown manifold, establishing its footprint across the globe. The company has a total of six manufacturing units – 4 in India and 1 each in the Netherlands and Hungary. India's fifth and 7th globally, has come up in Andhra Pradesh.

The company markets its products under its two global brands – Apollo and Vredestein, and its products are available in over 100 countries through a vast network of branded, exclusive and multi-product outlets. The product portfolio of the company includes the entire range of passenger car, SUV, MUV, light truck, truck-bus, two-wheeler, agriculture, industrial, specialty, bicycle and off-the-road tyres, and retreading material and tyres.

The company has a turnover of US\$ 2.3 billion and ranks among the global top 20 tyre makers. Apollo Tyres has been recognised as the 'Best Company To Work For' both in Asia and Europe in the recent past, and has won several accolades for its HIV-AIDS awareness and prevention initiative for the trucking and allied communities, and for its Waste Management initiatives in the community.

At Apollo, all employees are given equal opportunity to grow and develop their skills and knowledge to the next level.
